LUMINA

HEALTHCARE SOLUTIONS

*Guiding health. Transforming lives.*

COMPANY PROFILE

# INTEGRATED HEALTHCARE SOLUTIONS

Infrastructure consultancy | Project management | Architecture | Construction | Healthcare staffing

SOUTH AFRICA / AFRICAN MARKETS

# Building healthcare capacity from concept to care.

Lumina Healthcare Solutions delivers integrated healthcare infrastructure and workforce solutions. We support clients across the lifecycle of healthcare facility development - from investment planning and design to construction, commissioning and staffing.

### OUR VISION

To advance accessible, sustainable and future-ready healthcare infrastructure across Africa.

### OUR MISSION

To unite strategic insight, technical delivery and workforce expertise in support of better healthcare services.

# Five integrated service lines

One coordinated partner for the development and operation of healthcare facilities.

01 **CONSULTANCY**
Strategic planning and investment advisory

02 **PROJECT MANAGEMENT**
Delivery oversight and coordination

03 **ARCHITECTURE & DESIGN**
Clinical spaces built around care

04 **CONSTRUCTION**
Healthcare facility development

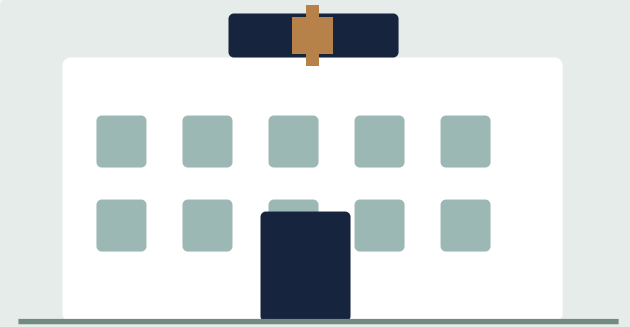

05 **HEALTHCARE STAFFING**
Clinical and operational workforce solutions
